

REFLECON® Tarnish 80 Type 2 - Permanent

SOLVENT-FREE WATER BASED

80

1L | 10L

PRODUCT CHARACTERISTICS

- 100 % free of titanium dioxide
- Smooth, dispersed, fine, white powder layer
- The layer thickness can be specified by user
- Easy to wipe off with a cloth or brush
- Easy to wash off with water
- Solvent-free
- Water based
- No labelling acc. to GHS
- Odorless
- Excellent wetting characteristics on the surface

NOTICE

Clean surface completely before use (e.g. from dust). As soon as the surface is dry, it can be touched - REFLECON® Tarnish will then no longer smear. Very good adhesion and removability of the marking points in the applied film - with an average layer thickness.

Minimum shelf life: 2 years at storage temperature (5 - 45 °C) for container. The state of aggregate changes at a temperature below 5 °C. When the temperature rises above 5 °C, the state of aggregate will normalize.

Available in 1L und 10L (Container).
