

## MR® Ozone Mini 1 (SC 40)

### Description

- The MR® Ozone Mini 1 is a powerful air and room purifier that effectively and demonstrably eliminates airborne bacteria and removes dirt and odors.
- The Ozone Mini 1 is the ideal solution for clean and healthy indoor air. It provides an effective way to improve the air quality in your home or office and ensures a hygienic environment.

### Features

- **Ozone technology:** Innovative use of ozone to effectively eliminate bacteria and pollutants in the air
- **Compact size:** Mobile use and therefore ideal for flexible use in different rooms
- **Intuitive operation:** Ergonomic and user-friendly design for convenient and uncomplicated handling

Reduces up to 75 % of airborne bacteria within one hour

Eliminates up to 99% of unpleasant odors caused by cigarettes, formaldehyde, toilets, pets, bedrooms, kitchens and more

**SGS**

tested and certified

### Application

**Level 1 standard ozone mode:** active for 3 minutes, then inactive for 7 minutes. No fan use, automatic switch-off after 8 hours of use.

**Level 2 High mode ozone operation:** active for 5 minutes, then inactive for 5 minutes. With fan insert to increase ozone output, automatic switch-off after 8 hours of use.

### Technical data

- Dimensions: Ø65mm x H 170 mm
- Ozone emission: max. 5-6 mg/hour
- Application area: approx. 10 m<sup>2</sup> (approx. 45 m<sup>3</sup>)
- Noise level: standard mode 3 dB, power mode 21 dB
- Weight: 280 g +/- 5 g
- Battery life: 500 charging cycles
- Power supply: USB cable without data transfer function

\*\*Technical changes reserved!\*\*

### Scope of delivery

- Ozone Mini 1 device
- Instruction manual
- USB-C charging cable
